

Ambre 200

Folding Bath Cradle

The push button allows easy folding.

Adjustable safety belt.

A quick release mesh for ease of laundry or replacement.

Easy to transport making it perfect for holidays and short breaks

The Ambre 200 Folding Bath Cradle is designed for making bathing easy, with its low profile design the user sits further into the bath allowing for deep submersion/less water use.

The folding function, of the head, back, thigh and calf, not only allows for the chair to be stored and transported with ease between uses, but is also configurable to support a wide range of user needs. The head section can be folded down for easy access when washing hair, alternatively the mesh can be unclipped as on our standard shower cradle's
