Easy control reclining action gives the patient maximum comfort

The Ambre 200 Tilt in Space Shower Chair has been designed to provide comfort and safety together with easy access when washing and for personal care.

The shower chair has optional extras such as fully adjustable and removable footrest, thoracic supports and hip supports. The shower chair is available in both adult and paediatric sizes and the option of either manual and electric tilting actions both of which provide a tilting angle between 75° and 35°.

Construction

- Tubular stainless steel material ensuring robust construction.
- Anti-bacterial powder coating which does not degrade effectiveness over time.
- Castors tested to 100 hours salt spray test.
- Upholstery is hard wearing easy clean and meets current legislations regarding fire retardant upholstery.

Technical Data

No specialist cleaning required due to our BacAway anti-bacterial powder coating, just use a proprietary cleaning solution
