The Warnerbus Vauxhall Movano Accessible Minibus

Warnerbus specialises in the bespoke conversion of the class leading Vauxhall Movano. Available on long, medium or short wheel bases, the Movano range of minibuses offered by Warnerbus, gives you a new dimension in passenger safety and comfort.

The Movano features modern styling, a comfortable, practical cabin environment and high levels of safety and security. It's

incredibly versatile too with three load lengths, GVWs and roof heights making it an ideal choice for a Warnerbus conversion.

Entry is through a full height side door which gives easy passenger access. A variety of tail-lifts is available for wheelchair and disabled access at the rear of the vehicle.

Our standard specification includes fully bonded glazing to manufacturer's specification, luxurious, but hardwearing trim, M1 and M2 tested passenger seats (all fitted with integral lap and diagonal belts) which conform to the latest EEC Directives. An extensive list of options is available to enable the discerning customer to bespoke their minibus to meet their specific requirements.
