

# Brig-Ayd 40kg Mk2

## 2-Way Folding Universal Boot Hoist

**The new Brig-Ayd 40kg Mk2 is a 2-way folding boot hoist that will vertically lift your scooter, wheelchair, or powerchair so you can easily load it into the boot.**

### **Greater lifting height to fit taller devices into smaller cars**

A unique and versatile hoist suitable for lifting mobility devices up to 40kg with ease. The next generation boasts a new design for increased quality, reliability, and efficiency. Its 2-way up/down operation hoist alleviates the effort required to lift and load a mobility device into the car.

The unique arm design can be neatly folded down when not in use making it ideal for some of the smallest hatchbacks, estates and even some saloon cars.

The re-designed and improved Brig-Ayd 40kg Mk2 Universal Boot Hoist combines technologies and over 70 years of expertise from two of our exclusive manufacturers; Brig-Ayd and Autochair, in one integrated design.

- Mk2 Collaborative re-design combining the best technologies and experience from Autochair and Brig-Ayd Controls
- Next Generation design for increased quality, reliability, and efficiency
- New electronics with soft start motor for smooth operation
- New easy-grip handset with soft touch illuminated buttons
- Folds down to the boot floor so it doesn't obstruct the rear view when driving
- Ideal for smaller cars with devices up to 40kg
- Compatible with more vehicles and mobility devices

## LOADING & STOWAGE

---

Make easy work of loading and unloading a wheelchair, mobility scooter or powerchair into your vehicle with our loading and stowage systems. All at the touch of a button. Whether you require car hoists or wheelchair roof boxes, we have got you covered.

## DRIVING AIDS

---

Regain and retain your independence with our colossal range of driving adaptations tailored to you and your vehicle, including mechanical hand controls, electronic accelerators, left foot pedals, pedal guards, remote control devices, steering aids, and much more.

## EASY VEHICLE ACCESS

---

Get in and out of your vehicle safely and easily with our specialised range of accessibility adaptations for drivers and passengers with reduced mobility. We can aid your transfer from a wheelchair, scooter, powerchair or even from standing, with swivel seats, transfer plates, and person hoists.
