

## Over-bath Bathing Cradle

Designed to give you the support you deserve when bathing

The Ambre 200 Over-Bath Bathing Cradle has been designed to allow those that need extra support to enjoy a comfortable bathing experience. The cradle is simply inserted in to the bath and can be positioned anywhere along the bath to the user's preference. The non-slip grip handles securely rest on the side of the bath so the cradle is kept in position. This cradle comes with a lap belt as standard as well as being secured with tension adjustable straps to the underside, head and foot of the cradle allowing for further adjustment and comfort. The mesh cover has an antimicrobial coating, is quick drying and easily removable for washing purposes.

## Technical Data

No specialist cleaning required due to our BacAway anti-bacterial powder coating, just use a proprietary cleaning solution

The mesh and straps are manufactured from 100% polyester

Do not wash at temperatures above 71°C

Do not dry clean

Do not use bleach of any kind

## Construction

- Tubular stainless steel material ensuring robust construction.
- Anti-bacterial powder coating which does not degrade effectiveness over time.
- Castors tested to 100 hours salt spray test.
- Upholstery is hard wearing, easy clean and meets current legislations regarding fire retardant upholstery.
- The sides of the mesh along the frame are padded to maximise comfort.
- SO:9001:2015 Accreditation.

## Optional Accessories

Washing Aperture

Side Support Roles

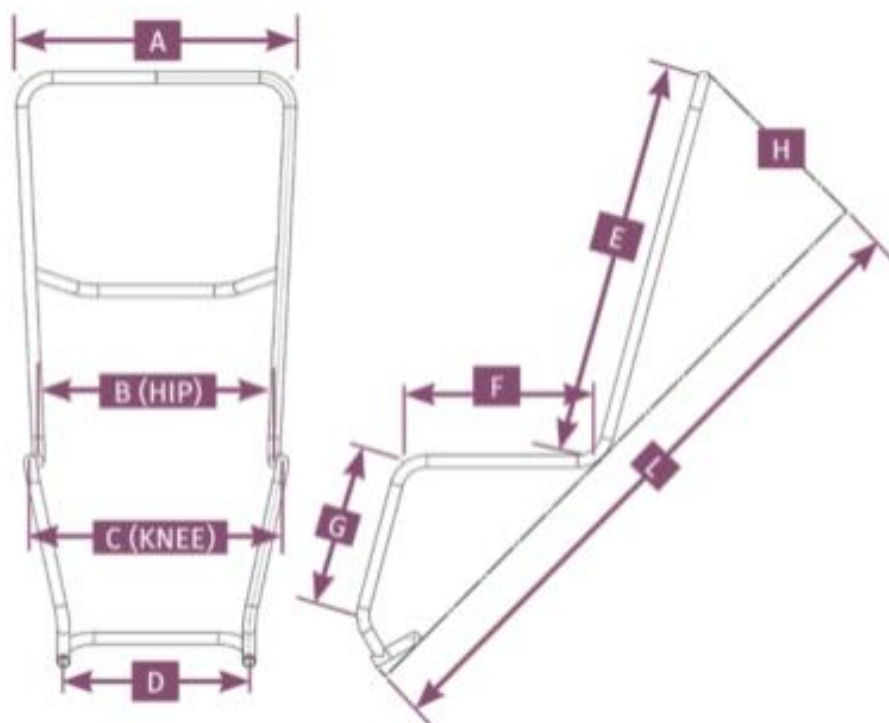

Neck Roll

Delta Head Rest
