

## Etac Rufus folding shower chair

Rufus is a series of functional and safe aids that facilitate sitting in the shower room or bathroom. All Rufus products come flat-packed and are easy to assemble.

A foldable shower chair for the user who needs both a backrest and armrests to sit safely. The chair folds up and is easy to transport or put away when not in use. The seat can be angled forwards which is handy for users with stiff knees or hips. The seat height can be set from 45 to 60 cm thanks to the telescopic legs on the chair.

The chair comes with either a hard backrest or a back strap.
