

Adjustable footplate height

Flip-back armrest

Quick release rear wheels

**Wren 2** (SM-852.2)  
▲ Self propel

The new "Wren 2" is a quality lightweight aluminum wheelchair with a lot of adjustments and a very reasonable price.

The "Wren 2" has progressive slowing brakes to allow the attendant to control the wheelchair going down slopes. It also equipped with flip back armrests and detachable swing in/out footrest hangers.

The seat to ground height is adjustable from 19" down to 16.5" on the self propel model, the lowest seat to ground height allows the user to propel the wheelchair with their feet.
